**Beer tour in Vilnius**

<http://vaiduokliai.lt/en/offer/lt-ekskursija-alaus-kelias-vilniuje/#forward>

For many Lithuanians beer is irreplaceable part of the fun and perhaps not unreasonably people call it liquid bread. The drink has left a huge mark on popular folklore, and who would not want to know how this drink was appreciated by our forefathers? Beer refreshes us in the hot summer days and warms us up in the cold winter evenings. Pint of beer raises stormy debate, inspires for open conversations and games. During the tour you will visit different pubs where you will be able to taste different kinds of beer and will hear many secrets of this magical drink. Also you will visit a small beer brewery, where professionals reveal the secrets of beer production.

Beer road – great introduction for tonight. Entertainment is just getting started!
